

Certificate of analysis

Product name: **Latanoprostene bunod**

Cas number: 860005-21-6

Molecular Formula: $C_{23}H_{34}O_5$

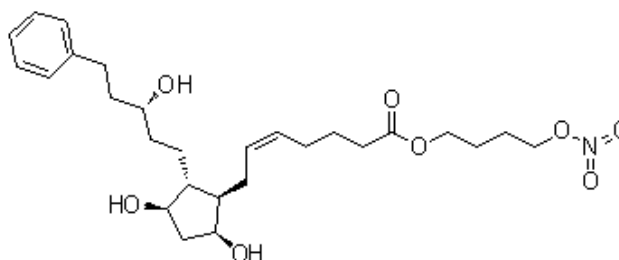

Molecular Weight: 390.51

Date of production: Feb, 16, 2019

Batch NO: 20190216

EXP DATE: Feb, 15, 2021

Chemical structure:

Items	Specifications	Results
Description	Clorless or light yellow Oil	Conform
Identification	NMR HPLC MS	Conform
Purity	≥ 98	99.7%

Conclusion: It complies with the Enterprise Standard.
